Founded 1971

## *Greetings:*

See us on the web at [www.weedsportwinterwanderers.org](http://www.weedsportwinterwanderers.org)

We hope you all had a good holiday. The club has been very busy getting ready for the riding season. The Kubota groomer is back from being repaired at the dealer and is now at the Young's farm where it will stay for the season. The other two groomers are being worked on weekly and are almost ready to go. The guys are working hard to completely replace the tracks on the 1982 Bombardier Skidozer.

We are currently without a club Vice President, if you or someone you know thinks they might be interested, we would welcome the help. Basic responsibilities are, running the meeting in the absence of the President, attending the Board of Directors meeting, as well as assisting in other club functions. Please give it some thought, our club depends on volunteers like you. Many thanks to Dave Forward for a job well done.

The Great Eastern Whiteout is on schedule in February, starting on Friday the 6<sup>th</sup> with a Whiteout Warm-up from 6:00 – 10:00 P.M. followed by a Antique Vintage Snowmobile show and racing on Saturday Feb. 7<sup>th</sup> and ending on Sunday Feb. 8<sup>th</sup> with a Vintage trail ride starting at Owens Orchards at 9:00 A.M. Be sure to ck out the club events listing on our website for all the details. Thank you to Joe Raechal and all the volunteers for their hard work on this so far.

The “Old Tyme Xmas” in Weedsport was a success again this year, we sold some raffle tickets, showed off the Kubota groomer and met a lot of nice people. Thanks again to Steve Baird for another job well done.

Raffle ticket sales are still ongoing, Please bring any sold tickets with you to the monthly meeting and turn them and the money in to Steve Baird, our raffle coordinator. We need as many of these sold as possible, it is one of the clubs biggest money makers for the year.

This years Xmas party was at the Sunset Restaurant in Auburn. We had about 30 club members in attendance, the food was delicious and a good time was had by all. Thanks to Rob Weatherstone for coordinating a great dinner.

Website: Donna Arpino is our webmaster and is doing a great job of keeping the website updated. She loves getting photo's from club members and anything snowmobile related to post on the site. Donna can be reached at [darpino@weedsportwinterwanderers.org](mailto:darpino@weedsportwinterwanderers.org)

Trail maps of the Central New York area including our trails are now available, you can purchase them thru Kim Rinaldo, or at Byrne Dairy on Rt. 5 and Bibbens Sales and Service.

😊 Club logo contest is still going on. Please bring your ideas, drawings and whatever you can think of to the club meeting, or email them to the club website. Some of our members have already come up with some awesome ideas and we hope to make the decision on our new logo soon.

The trails opened Dec. 17<sup>th</sup> in our area, some of us have been out riding them already. Please remember to respect the landowners privacy and **“STAY ON THE TRAIL”**. We already had one landowner threaten to close the trail, thanks to John Arpino and the gang we were able to put up more signs and resolve the problem. Again this year we need all club members to turn in gas receipts, there is a copy available for download on the website. Kim Rinaldo will collect them at the meetings, last year we got an .08 cent reimbursement for every gallon we submitted! This is a great way for the club to earn some extra income easily.

Work on the Groomers is an ongoing project, we meet at the Groomer Barn on each Wednesday at 7:00 P.M. We need as much help as we can get, there is lots to do. Also there is a list of grooming supplies on the website that we need this year. All donated items will be greatly appreciated.
